

Our Mission

Zonta International is a leading global organization of professionals empowering women worldwide through service and advocacy.

Our Vision

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men. In such a world, no woman lives in fear of violence.

Our Impact

With nearly 30,000 members belonging to 1,200 clubs in 66 countries, Zontians volunteer their time, talents and support to local and international service projects focusing on achieving gender equality and empowering all women and girls.

Zonta focuses our advocacy efforts on prevention of all forms of violence—including domestic violence, human trafficking and harmful practices—women's health, equal access to all resources, pay equity, Women's Empowerment Principles and more.

Education provides tools and resources to empower women and girls to make decisions about their lives and the future of their families. Additionally, Zonta clubs sponsor Z clubs for high school students and Golden Z clubs for college or university students to develop leadership skills, promote career exploration and more.

Zonta and its clubs are united by ethical standards to fulfill our objectives to improve women's status, to promote justice and respect for human rights and to be united internationally. Zonta, its districts and its clubs shall be nonpartisan and nonsectarian.
