

Dear District 23 Zontians,

It is my great pleasure to announce the District 23 recipient of the Jane M Klausman Women in Business Scholarship for 2018 is Kerran Olson, nominated by the Zonta Club of Perth Northern Suburbs in Area 3.

Kerran was judged to be a very strong candidate by all members of the selection committee. She is in the 4th year of a combined Business and Arts degree at Edith Cowan University in Perth. The committee was very impressed with the high quality of Kerran's academic performance in her business related studies, but also in the excellence of her integrated approach to study, career development, community leadership and volunteer work. Her referees rated her as exceptional and provided exemplary supportive comments. Kerran is a founding member of a student club for Women in Business. Her academic scores, career goals and community leadership roles indicate that her focus is highly aligned with the values and goals of Zonta International, therefore making her a worthy recipient of the USD2000 scholarship.

I know you will all join with me in congratulating Kerran on this fabulous achievement.

I would like to express my gratitude to Wendy Quinn, Sharona Smith and Christine Hepburn for their diligence and time in assessing all applications for the scholarship. Thank you for your great work.

Best regards,
Jane
