Empowering Women Through Service & Advocacy
Since 1919

What are Z Clubs and Golden Z Clubs

The Z and Golden Z Club program was initiated in 1948 by Zonta International.

Z and Golden Z Clubs are part of Zonta International's service projects. Zonta members work to bring Zonta International's mission, to empower women through service and advocacy, to students around the world and to stimulate new meaningful student-led service and advocacy projects.

The youth of today will be the leaders of tomorrow and the Zonta International Z Club program is a way for these future leaders to build a better world today.
