EMPOWERING WOMEN  
THROUGH SERVICE & ADVOCACY

## **YOUNG WOMEN IN PUBLIC AFFAIRS AWARD**

### **Britney Pham**

***CONGRATULATIONS TO OUR 2020 DISTRICT  
23 YWPA WINNER***

***Nominating Club:  
Zonta Club of Melbourne's East Inc***

Britney Pham is an International Baccalaureate student at Presbyterian Ladies College in Melbourne, intending to study medicine after the completion of Year 12. In her YWPA application Britney stated that she has always been passionate about making a difference with others through both career and lifestyle. Britney believes that having interaction with patients and researchers will allow her to advocate for improvements in global well-being, maternal health and deficiencies in living standards.

Amongst many school roles, Britney is College Vice Captain and is recognised as an inclusive, encouraging and confident leader. She is a compassionate young woman, a polished and assured public speaker and displays a thoughtful and compassionate attitude to those around her. Britney uses her leadership roles to empower and motivate her peers in seeking positive change. Fluent in four languages; Britney also has a significant appreciation and understanding for cultural differences and expectations.

Britney has participated in a range of volunteer and social activities at PLC and established the first Rotary Interact Club at the school. She is acutely aware that not all women share the liberties and rights that she does and is determined to use this privilege for the betterment of those less fortunate.

Britney is certainly a very worthy District 23 YWPA recipient.
