

Conference 2021
Bendigo, Vic

Join us in Bendigo.

We can't wait to see you!

10-12 September 2021

From your Conference Co-Chairmen Jane Adornetto & Judy Gorton

District 23 Zontians,
Our Conference Committee is meeting regularly to further advance planning for our September conference. The program is almost set and we're excited about the content. More info to come in the next newsletter.

With the easing of COVID-19 restrictions across Australia, and the start of the vaccination program, we hope that many of you will be confident to travel to Bendigo in September to renew and create new

friendships, and celebrate what it means to be a member of global organisation. We hope you look forward to being informed and entertained, as well as have a willingness to sample all that Bendigo, as a vibrant hub of central Victoria, has to offer.

Provided with this newsletter is a list of accommodation in Bendigo. We urge you to book as soon as possible. Given the lack of international travel available to Australians at present,

accommodation venues are being well utilised, so booking early is the key. Thank you to Bendigo member Shirley Turner for the great work in compiling this comprehensive list.

Please note the capacity shown on the list is the total capacity of the venue. It is not necessarily available rooms. Please also remember to check the cancellation clauses with your chosen venue.

Very best regards
Judy & Jane

Fundraising time

LET'S GO SHOPPING—AT THE CONFERENCE MARKET PLACE!

After a less than ideal year in 2020 for fundraising, this is a great opportunity for clubs to boost their bank accounts, to enable our service and advocacy efforts to continue. We urge all clubs to think about what they may be able to offer for sale at the conference marketplace, particularly those items that have a Zonta logo, colour or relate to our service and advocacy work. Expressions of interest will be sought in the next couple of months.

The conference committee is looking to provide the best value for money registration for attendees and all costs are assessed carefully. The committee has made the decision not to print a conference handbook. The book will be provided in electronic format to all registrants. As with the 2019 Brisbane Conference, we will not be producing name tags with lanyards. We ask all attendees to wear their club name badge instead. These initiatives fit extremely well with District 23's Zonta Says Now program for "gender equality and climate action".
