

District 23 is excited about the prospect of chartering the e-Club of Central and Southern Australia. If you are passionate about empowering women and building a better world for women and girls but are unable to attend face to face meetings – this is the Club for you.

A Zonta e-Club has all rights and duties of a regular Zonta club. A Zonta e-Club uses technology to hold their meetings, organise events, projects, and club business. Members can be in the same community, geographic area, state, or district and can be connected by friendship, fellowship, professional relations, or mission focus. Joining an e-Club allows for time flexibility, ability to participate in a meeting wherever you may be, and for building friendships and networks easily throughout the Zonta world.
