

INDUCTION OF NEW MEMBERS

Revised 2023

[Inducting new members into Zonta is a special occasion performed by the Club President, Area Director, Lt Governor, District Governor or another Zontian whose service has been exemplary and who is held in high regard by the Zonta members.]

Inducting Officer:

The name “Zonta” is derived from a Lakhota word of the Native American Sioux peoples meaning honest and trustworthy. Our members volunteer their time and talents to work towards Zonta’s vision and are honoured that you wish to join the Zonta Club of [_____], and work to build a better world for women and girls. You are joining a progressive, global organisation whose voice is heard and respected locally, nationally and internationally. Zonta has consultative status with the United Nations and participatory status with the Council of Europe.

Inducting Officer or Membership Chair to read:

Zonta International envisions a world in which women’s rights are recognised as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision-making positions on an equal basis with men. In such a world, no woman lives in fear of violence.

To achieve this vision, Zontians:

- Support and participate in Zonta service projects that make a difference to the lives of women internationally and locally;
- Advocate Zonta’s position on women’s issues to safeguard women’s rights as human rights;
- Collaborate with like-minded organisations, government and community leaders who share common goals; and
- Encourage the development of leadership and mentorship skills to help women be their best.

We invite you as a Club member to:

- Foster high ethical standards and be a positive role model
- Embrace personal growth and leadership opportunities, and
- Work co-operatively and respectfully with other members.

Zonta International is committed to diversity of membership in relation to age, ethnicity, race, colour, religion, social status, and culture. We value the fellowship of these members. We encourage you to discuss viewpoints and exchange ideas with other Zontians in a positive and collaborative manner and to take an interest in the world around you to identify areas where Zonta can make a difference.

"I pledge myself to uphold and practise the ideals of Zonta."
